## About Me:

- I'm a people person. I love meeting new people and learning about their lives and their backgrounds. I can almost always find common ground with strangers, and I like making people feel comfortable in my presence. I find this skill is especially helpful when kicking off projects with new clients.
- I am Passionate about my work Because I love what I do, I have a steady source of motivation that drives me to do my best.

## SKILLS AND ABILITIES

The following are my best skills which I believe are applicable to the position I have applied for:

- 1.Programming.
- 2.Logical and Structured Thinking.
- 3.Coding in C Language and Python.
- 4.Ability to work by myself without the need for constant supervision.
